COLLECTION OVERVIEW

From the Vento Teak Collection

Sofa collection with broad dimension that can fit everyone in the family. The elegant shape impresses the audience with its round backrest, it develops downwards. The slight curvature adds a graceful touch to the construction. The golden color of the frame will blend beautifully to your contemporary outdoor space.

VENTO-03-AL

Vento Aluminium 3 Seater

OVERVIEW

Made with powder-coated aluminum frame, Vento comes outfitted with removable outdoor fabric cushions that are easy-to-clean and tested to last through all weather conditions. The modern design incorporates clean, straight edges to create a minimalistic look for any patio space.

COLLECTION OVERVIEW

From the Vento Aluminium Collection

Vento aluminum sofa explores the design that forms a dialogue between harmony, shape, and space. The construction appears huge and stout, distinguished by the embrace of an aluminum frame, it bends into a circular shape. Strong welding prevents the construction from fading and suffering structural damage over time due to rain and sun exposure.
