To Whom So Ever it May Concern

I'm Prakash Pattabhiraman - Managing Director of Kalyan Silks & Kalyan Hyper Market.

We have taken Sunroom - Italian Windows from P3 Architectural Solutions for our Villa in Thrissur which is of 35,000 sq ft.

Most of them are large sized windows and I must say that the Sunroom Italian Windows are Phenomenal & are very smooth in manual transmission.

Mr. Roopesh Gupta - CEO of P3 Architectural Solutions has done a wonderful job in my Project and was able to give me best service during the course of my project.

I'm extremely Happy & Satisfied with Sunroom Products & the services given by P3 Owners & their Team.

Regards,

Prakash Pattabhiraman
