To whom so ever it may concern,

I'm Samir Shah - MD of Devarsons Industries Private Limited from Ahmedabad.

I would like to affirm that P3 Architectural Solutions have supplied almost all of their products in my Villa in Ahmedabad in 2019.

Since we have got most of the products from P3 my house is also called P3 house with their most amazing products as under -

1. Sunroom - Italian Windows + Glass Retracting Roof. I must say that the windows are very smooth functioning and no service has been required till date.
2. Fontanot - Italian Railing + Studs for Staircase. Best seamless railing has been supplied for my balconies.
3. Team 7 - 100% Solid Wood Kitchen from Austria. One of the best kitchen for wood lovers. Have taken this for my Show Kitchen.
4. Jab - Wonderful Furniture Brand from Germany. All loose furniture for my house has been procured by Jab only. The fabric & leather of the furniture is phenomenal.
5. Flexa Lighting - Italian lights from Italy. Again the entire residence has been done by Flexa lighting. They had given the best lights for my concrete ceiling.
6. Outdoor Furniture - I have taken two brands of Outdoor Furniture from them which are Ethimo from Italy + Vondom from Spain. Very comfortable and meant for all weather conditions furniture.

My Villa is of 20,000+ sq. ft. built up area and P3 has done a wonderful job in making the house as per my requirement. All of their product line is top of the class and long lasting.

P3 Management & their Team are very cooperative and during our period of procurement and installation of various verticals of P3, our relations have turned more into a family rather than a vendor supplier relationship.

We wish P3 & Team all the very best in future endeavours as I have seen them from a long way since our introduction 4 years back.

Regards,

Samir Shah,
